EMERGENCY MEDICAL TREATMENT

In the event of a medical emergency at school, the school will first try to contact the child's parent. If the parent cannot be reached, and the child needs immediate medical treatment, the information below would be given to the hospital or clinic. The purpose of the Emergency Medical Treatment Form is to obtain medical treatment for your child in the event you cannot be contacted. The school does not assume any financial responsibility, but does wish to provide the best service possible in an emergency.

Please complete the following information below.

I hereby authorize **Texarkana Independent School District** to consent to emergency medical treatment for:

_____ _____

Student's First/Last Name (Printed) Grade

I understand in granting this authorization that:

- My child will be taken to a hospital or clinic nearest to the school or activity he or she is attending so that emergency medical treatment can be obtained.
- School staff members will attempt to contact me before consenting to emergency medical treatment of my child and for the transportation to the emergency medical treatment facility.
- I release TISD staff members and trustees from any and all claims or actions from liabilities for the injuries that occur to my child as a result of his or her receipt of emergency medical care.
- The staff members of the TISD, its trustees and agents are not waiving sovereign or governmental immunity by requesting the execution of this document.
- I understand the provisions of this document and execute it voluntarily.
- I give my permission to TISD staff to release health information pertaining to my child to other health care professionals involved with my child.
- I give my permission to report health information pertaining to my child to governmental agencies as requested or required by them.
