

IMAGINE 2026

TEXARKANA INDEPENDENT SCHOOL DISTRICT

WELCOME LONG RANGE PLANNING COMMITTEE MEMBERS!

Thank you for agreeing to serve on **The Texarkana ISD Long Range Planning Committee (LRPC)**.

On April 27, 2022, the TISD Board of Trustees adopted Imagine 2026, a new five-year strategic plan. Altogether, over 1,000 hours were invested by over 300 TISD parents, students, community leaders and staff members in the development of new goals and objectives related to academic performance, learning environments, social/emotional support, parental and community involvement, technology, and human resources.

The charge of the LRPC is to study needs identified through the strategic planning process, prioritize them, develop a long-range facilities plan that addresses them, and recommend its adoption to the TISD Board of Trustees. Development of this long-range facilities plan is important work. It has the potential to positively impact future generations of TISD students.

This project is also complex. The information shared during each session will be important in helping to formulate recommendations. Accordingly, we ask that you attend each of the scheduled meetings. We know that summer is a busy time, and we will be glad to work with you to get the information discussed at a meeting if you have to miss one.

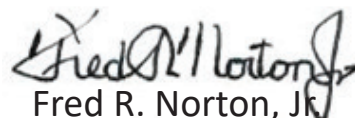

Thank you again for your commitment to serve on the TISD LRPC! We are grateful to have such strong community support for TISD and its students!

Best regards,

Doug Brubaker, Ph.D.

Superintendent of Schools
Texarkana ISD

Fred R. Norton, Jr.
President
TISD Board of Trustees
